GROVE CITY, PENNSYLVANIA

Don't ever forget all the fun we've had together, all the nights we kept each other awake blabbing about anything we could think of, the hunger pains that drove us to the kitchen so many times, Oh yea, and the time I woke you up laughing, you didn't seem too happy about that. I wish you all the happiness in the world in the years to come, with your wonderful personality I know you won't have any trouble making lots of friends in your new home. We've done some pretty silly things together but it was all so fun. We have had so much fun together I would never be able to remember everything but I know I'll never forget you. Take care of yourself and be good. I hope you will write to me all the time. Good luck and come see me.

Your good friend,
Sally

John

by

The Class of '66'

Words cannot significantly express what John was
to all those who knew him.
John Jamison Campbell II
His name brings to mind a big person--
physically, mentally, spiritually.
He was a sincere smile
a pair of flushed cheeks
shining slate blue eyes
a hearty robust laugh.
To some he will be remembered as
the boy with the bouncy walk,
the boy who, seemingly, never had a care
in the world,
the boy whose friendship he extended to
everyone--both young and old.
And to others he will be remembered as "the sound of
a basketball bouncing down the street
towards the playground basketball court."
John will always
be remembered - because
he was a part of our lives for 16 years.

ACTIVITIES

PUBLICATIONS

PINE KNOT

A high school yearbook is written less for the present than for the future. The 1966 PINE KNOT will in later years, bring to mind many fond memories of GCHS. The staff has spent many hours producing this collection of memories.

The 1965 PINE KNOT was awarded Second Class Honors by the Columbia Scholastic Press Association in the thirty-first annual yearbook contest.

GROVER STAR

Hours of hard work and the combined efforts of all the staff members go into the production of each issue of the Grover Star. The paper is published monthly and gives the students and others in the community a chance to catch up on all the school news. It also provides staff members with opportunities to try their hand at writing and to learn the basic rules used in the newspaper business.

This year three representatives of the staff and their adviser, Mr. Nial McCamey, attended a newspaper conference in New York City.

FOOTBALL

Coach Don Gill was justifiably disappointed in his second season as head coach of the Grove City Eagles. The Eagle team hit its unavoidable "lean" year with only two returning lettermen. Had not the other area schools boasted a bonus year of lettermen and experience, the record might have been better. Grove City's only win, over Sharpsville, was exuberantly welcomed by the still loyal Eagle fans. Game attendance reached its peak in the final game of the season.

This season did have one bright spot in Bob Irvine's superb running ability. Bob gained a total of 921 yards in 175 carries for a 5.26 yard per carry average. He had his best game against Mercer in which he gained 241 yards in 24 carries. The other Eagle statistics were as follows: 83 first downs, 1612 yards gained, 53 passes attempted, 18 passes completed, 4 passes intercepted by us, 23 fumbles, and 356 penalties.

Grove City's opponents had 100 first downs, 2722 yards gained, 86 passes attempted, 47 passes completed, 5 intercepted passes, 16 fumbles, and 547 penalties.

Seniors who played their last game this season were: Bob Irvine, Bob Deniker, Bill Shawgo, Lee Schettler, Dennis Ziccardi, Bud Painter, Chuck Rhome, Jim Barron, Duffy Thompson, George Elliott, Jeff Morris, Doug Bashline, Ed Robson, and Jeff Webster.

BASKETBALL

With only one returning letterman, Coach Lennie Clarke faced an uphill struggle for the 1965 season.

Inexperience showed as the Eagles ended the year with a 5-17 record.

Two victories over Lakeview by one point, and wins over Franklin, Union, and Reynolds were the Eagles high water marks.

Despite the record, the Eagles displayed some tactics that should prove to be of good use next year.

Next years squad will be built around four juniors and three sophomores. All of these boys saw a lot of action this year.

Two boys sank over 300 points this year. Paul Ladjevich, a junior, racked up 364 points for top scorer and right behind him was senior Robbie Wood with a total of 361 points.

Seniors playing their final game as Eagles were Robbie Wood, Wayne Christie, and Don Thompson.

Thomas Moore once stated, "For hope shall brighten days to come, And memory gild the past!"

We believe that this 1966 Pine Knot will help to gild your memories of the past. Merely by turning the pages of this book, these memories will come to focus, and you again can experience the joys of the curtain going up on the class play, that first byline in the school paper, the 80 yard touchdown, new friends, and the most important, the joy of stepping over the boundary of present knowledge into the vast and exciting realm of discovery.
